Dear Parents/Guardians

Together and always ahead.....The School has begun well with Happiness Classes and Desh Bhakti having love for our country as we proudly celebrate 75 year of Amrit Mahotsav. As we hoist flag in every house I pray that true patriotism be shown in thought, words and deeds.

It was indeed an enormous and Herculean task for the staff and students to switch on and off to offline and online mode for the two and half years. Now that the clouds of Corona have cleared and Lord has shown us his mercy to learn together we with open hearts receive the tender minds and soul to be moulded unto the Masters image and likeness to make the students realize the true worth of Human Life. More than ever.....after the pandemic one great lesson we have imbibed rather learnt is that life is precious, we need to protect and save it.

Dear Parents we along with you co-operate and foster life and make it bloom into fullness by nurturing our children day after day. Shortly we commence with Mid-term exams. There are some minor changes with computer papers and other papers.

Instruct your wards to understand and learn. Let them learn to think rather than simply memorize. Let them learn through hard way. It will help them in the long run of life. I thank all the parents who have cleared their dues despite certain difficulties and request others to clear the dues before the exam. We assure that your child is in safe hands. May God always protect and guide you towards things that are eternal and lasting. May peace, love and joy reign in your hearts and family. God Bless.

Points to remember:

- Send the children regularly to school and let them be punctual.
- The students are expected to abide by the school rules as mentioned in the school diary.
