

Sahoday Sr. Sec. School

Circular No. SSSS/2020/03

28 August, 2020

The goal of teaching should not be to help the students learn how to memorize and Spit out information under academic pressure. The purpose of teaching is to inspire the desire for learning in them and make them able to think, understand and Question.

**-Richard Feynman
American physicist**

My dear Parents and Children,

Hope you are doing well in your homes during the pandemic. You must have found marvelous ways to enhance the creativity of your wards. Teachers have given phenomenal service to our students by reaching out to them in the best possible ways. It has been four to five months that we have not seen each other and I pray that we meet soon.

Covid pandemic has taught us many lessons. One of the powerful lessons is that we all are interconnected globally and we can truly say "I'm okay because you are okay; we will be well if our neighbours will be well"! If this pandemic is global, national and local then solution also can be found globally, nationally, locally by joining hands to wipeout this deadly disease and again begin a normal life.

I hope all of you have received the syllabus and datesheet of Mid-Term Examination (2020-21). The online Mid-Term exams commence from 18th of September. I am sure you will assist your children to prepare themselves mentally and emotionally, not forgetting that life is much valuable than anything else.

Human face of kindness should become the base of our life. Teach them to be calm in these trying times. This period will teach them to face great troubles and struggles in life.

I congratulate my dear teachers, parents for all your rich contribution during this unprecedented time and working hand in hand with school management for all round development and well being of our students.

Some important instructions to be followed:

1. For the Mid-Term paper class wise email Id of subject teacher is attached on the

question paper. Send the Pdf file of the answer sheet to that email Id itself.

2. Exam for the Pre-primary will be conducted through WhatsApp.
3. Exam for the classes I to XII will be conducted through Google form.
4. The books are available in the school from 9:00 a.m. to 12:00 pm.
5. Those students who attend the school will receive an appreciation certificate from the Principal. Encourage your ward to put on the camera during class.
6. Parents of classes X and XII, your wards should have 75% attendance otherwise their names will not be sent to the CBSE board.
